

Kinder Keepsake

Wattle/Waratah

Dear Parents

Each year we offer the children a wonderful opportunity to preserve their art work onto their own plate or mousemat. Your child's drawings are made into a high quality, durable and useful dinner plate, which is very strong, resists chipping and will last forever.

These make a beautiful and treasured personalised keepsake of your child's kinder year or a wonderful gift for grandparents.

Please complete the order from below and return it to the kinder fundraising box with your attached banking receipt or cheque by **Friday June 4th**. **As special paper needs to be ordered, no late orders or payments can be accepted.** Please be aware that your child will be required to do a separate drawing for each plate ordered.
